## COMMENTS ON CONTRIBUTORS

*J. Dale Burnett* is a professor in the Faculty of Education at the University of Alberta. Dale first presented this article as a paper at the MCATA annual conference in Calgary in October 1993.

*Marie Hauk* is a former University of Alberta instructor and also a past president of MCATA. She now operates her own counseling service.

*Mary Montgomery Lindquist* is the NCTM past president. Mary presented this article at the opening of the NCTM Canadian Regional conference in Edmonton in October 1994.

*Betty Morris* is the publications director for MCATA.

*Elaine Simmt* is a graduate student in the Department of Secondary Education at the University of Alberta. Elaine presented this article as a paper at the NCTM Canadian Regional conference in Edmonton in October 1994.

### Warm-Up

If all consonants cost \$1 and all vowels (including *y*) cost \$2, how much are your first and last names worth?

(taken from Ginn *Interactions*)
