GUIDELINES FOR MANUSCRIPTS

delta-K is a professional journal for mathematics teachers in Alberta. It is published to

- · promote the professional development of mathematics educators, and
- stimulate thinking, explore new ideas and offer various viewpoints.

Submissions are requested that have a classroom as well as a scholarly focus. They may include

- · personal explorations of significant classroom experiences;
- descriptions of innovative classroom and school practices;
- reviews or evaluations of instructional and curricular methods, programs or materials;
- · discussions of trends, issues or policies; and
- a specific focus on technology in the classroom.

Manuscript Guidelines

- 1. All manuscripts should be typewritten, double-spaced and properly referenced.
- 2. All contributors are encouraged to submit their manuscripts on 3.5-inch disks using WordPerfect 5.1 or 6.0 or a generic ASCII file. Microsoft Word and AmiPro are also acceptable formats.
- 3. Pictures or illustrations should be clearly labeled and placed where you want them to appear in the article. A caption and photo credit should accompany each photograph.
- 4. If any student sample work is included, please provide a release letter from the student's parent allowing publication in the journal.
- 5. Limit your manuscripts to no more than eight pages double-spaced.
- 6. Letters to the editor or reviews of curriculum materials are welcome.
- 7. *delta-K* is not refereed. Contributions are reviewed by the editor(s) who reserve the right to edit for clarity and space. Send manuscripts to Arthur Jorgensen, 4411 5 Avenue, Edson T7E 1B7; fax 723-2414.

On the Lighter Side

Disappointment should always be taken as a stimulant and never viewed as discouragement.

Psychiatrists say it's not good to keep too much to yourself. The government also thinks the same.

People who don't know whether they're coming or going are usually in a big hurry to get there.
