| Faculty of Education: | Dr. Doyal Nelson Edmonton | | |
| | Dr. Alan Gibb Calgary | | |
| Member appointed by the ATA: | M.T. Sillito Edmonton | | |

Membership in the MCATA is open to: (a) any member of the ATA covered by the TRF; (b) any member of the University of Alberta or the Department of Education. It is hoped that teachers of mathematics at all levels, elementary and senior high school, will take this opportunity to participate in professional development. In view of recent and forthcoming curriculum changes, the MCATA will be of considerable benefit to mathematics teachers. There is particular urgency on elementary and junior high mathematics teachers to join now since changes are presently being implemented in the curriculum at both these levels. All correspondence regarding the Annual should be addressed to MCATA Newsletter, J.Holditch, Editor, 11035-83 Avenue, Edmonton.
