

# MISCELLANEA

## CHANGE OF NAME OF THIS PUBLICATION

Let's face it, this publication is no longer a newsletter. Therefore, we feel that the name is no longer appropriate. On November 14, the Executive Committee granted permission for us to change the name. If you have a suggestion, send it to the Editor,

Murray R. Falk  
2112 Palisdale Road S. W.  
Calgary 14

A small honorarium will be paid to the person whose title is used. Deadline is January 22, 1971 for receipt of suggestions.

## CHARTER FLIGHT

If a sufficient number of members express their interest, the Mathematics Council is willing to arrange a charter flight to the 49th Annual Meeting of NCTM, April 14-17, 1971 in Anaheim, California. If you are interested, send your name to the President before January 31, 1971.

## JUNIOR HIGH MATHEMATICS OPTION - References

A number of teachers are interested in a list of references and/or published materials for the junior high mathematics option. If you have a suggestion that you would like to share with your colleagues, send it to the Editor.

## LETTERS TO THE EDITOR

Letters to the Editor of this *Newsletter* are welcome anytime. If you have a beef or a bouquet, we would like to hear from you.

## APOLOGY

The Editor regrets that this issue does not contain any articles of special interest to elementary mathematics teachers. The reason is simple - no such article was received or otherwise brought to our attention. We can print only what we can get; you can help by submitting *your* article or directing our attention to an article which we could reprint. Deadline for the next issue is January 22, 1971.
