Dear Sir:

It is with much pleasure that we receive your monthly issue of Delta-K. May I be so bold as to point out two typographical (?) mistakes in your May 1975 issue. I am doing this in no way to criticize the article but rather to point out these mistakes to your readers so that they may follow through with these interesting games.

The first is on page 24. I believe that there should be a line segment connecting 9 and 2 in the middle circle. Also, on page 26, the decision box, "Did the team vote agree?", should have a yes arrow directed to the lower of the two rectangular boxes on the right.

Again, we enjoy receiving Delta-K and are looking forward to future issues.

Sincerely,

A handwritten signature in cursive script that reads "Bob Robinson".
