

## REQUIREMENTS FOR MEMBERSHIP

Membership is available to all persons interested in mathematics, the teaching of mathematics, and related problems.

## MEMBERSHIP FEES

### Individual Membership

Including either journal, \$5.00

Including both journals, \$8.00

For individuals only. Includes subscription, for individual use, to either the *Mathematics Teacher* or the *Arithmetic Teacher*. Confers usual membership rights. (As noted above, there is a reduced joint fee for members who wish to receive both journals. This joint fee requires that both journals have the same mailing address and common expiration dates.)

### Student Membership

Including either journal, \$1.50

Including both journals, \$2.50

An individual membership for any student who has never taught professionally. *Order must be submitted by or certified by a staff member of the school.* Student members do not vote or hold office.

## SUBSCRIPTION FEES

### Institutional Subscription

Mathematics Teacher, \$7.00

Arithmetic Teacher, \$7.00

For schools, libraries, departments, institutions, or wherever the journal is desired for the use of a group. Gives a subscription only. Confers no membership rights upon any person.

### Mathematics Student Journal Subscriptions

Sold as a *group subscription* for five or more individual subscriptions to a single address. Price computed at the individual subscription rate of 30¢ per year, making the minimum group order \$1.50. NCTM members may purchase an *individual subscription* for 50¢ per year, if ordered at the same time as dues are paid.
