

district, one of the top schools in their province and one of the top schools in Canada. The school with the highest team score will receive the University of Waterloo shield for one year. This award was won in 1969 by Sir Winston Churchill Secondary School, Vancouver.

The Mathematics Council of The Alberta Teachers' Association will offer a prize of \$30 and award a plaque to the best team of three in the province. The Department of Mathematics of The University of Calgary will also offer two prizes of \$30 each for the next two teams of three in the province. In addition, the Mathematics Department of The University of Alberta in Edmonton will offer two prizes of \$30 to be disbursed among the top teams in the province.

Registration forms should be mailed, by the end of this month, to Mrs. Scott Niven, Department of Mathematics, The University of Calgary, Calgary 44, Alberta. All the forms for copies of previous contests should be mailed to the Ontario Mathematics Contest, Faculty of Mathematics, University of Waterloo, Waterloo, Ontario.

It is hoped that schools in the Province of Alberta will enter teams once again in this contest. On a national level the teams from Alberta did particularly well in the previous year's contest, and - who knows - an increased participation in the 1970 competition may be forthcoming.

## **ETV CONFERENCE IN MATHEMATICS**

**TORONTO, APRIL 17-18, 1970**

The Canadian Association of Mathematics Teachers is holding an ETV mathematics conference on Friday and Saturday, April 17 and 18, at the Skyline Hotel in Toronto. At this conference representatives from the provinces will explain what is being done throughout Canada with ETV in the mathematics classroom at the present time and what will be done in the future. Each province will show selections from tapes produced by its ETV department. Teachers from across Canada who are using TV or TV recorders in a novel way will be given the opportunity to describe their work. Commercial TV equipment will be on display.

Anyone interested in attending this conference or any teacher who would like to describe his or her novel endeavors in ETV is asked to contact John C. Egsgard, 1515 Bathurst Street, Toronto 349, Ontario.
