Make It—Take It

December 1987

Contents

Acknowledgments <i>Robert Michie</i>	4	17. 101 and Out (addition, place value)	23
1. 2-D Figures and 3-D Objects (geometry)	5	18. Candy Apples (addition, subtraction)	24
2. Base 10 Blocks (manipulatives, numeration)	6	19. Bean Pots (ECE counting)	25
3. "I Have" Game (time)	8	20. Mittens in the Basket (ECE addition)	26
4. Sharp-Shootin' Charlie (game—subtraction)	9	21. Family Whales (addition)	27
5. Goober Ghost and Benny the Bat (numeration)	10	22. Mini-Paper Chains (addition, subtraction)	28
6. Tigger the Tiger (addition, subtraction)	12	23. Mend the Broken Hearts (basic operations)	29
7. Ricky and Robby Raccoon (money)	13	24. Making a 5-Pointed Star (geometry)	30
8. The Cookie Monsters (multiplication)	14	25. Math Computers (basic operations)	31
9. Operations (addition, subtraction)	15	26. Snap Number System (system, axioms)	32
10. Numeration (counting)	16	27. "The Remainder" Game	35
11. Place Value (numeration)	17	28. Volume (manipulatives)	36
12. Expanded Notation (numeration)	18	29. Product Squares (estimation)	38
13. Feeding Mr. and Mrs. Jaws (relations)	19	30. Divide It, Match It (division)	39
14. Popsicle Match (cardinality)	20	31. Bulletin Board Idea	40
15. Bean Drop (addition, extensions)	21	32. Expanded Notation Concentration (notation)	41
16. Gone Fishing (addition, extensions)	22	33. Math Game Boards (games)	42
		34. Equivalent Fractions (manipulatives)	43

35. Volume of a Sphere (geometry)	44	45. Integer Sums and Differences (game)	70
36. Area of a Circle (geometry)	46	46. Graphing	71
37. Pythagorean Theorem (geometry)	48	47. The Price Is Right (ratio and proportion)	81
38. Addition and Subtraction of Integers (manipulatives)	49	48. Mathematics as a Language	83
39. $a^2 - b^2 = (a+b)(a-b)$ (algebra)	53	49. Volume of a Pyramid (model)	85
40. Polynomials (algebra)	54	50. Sum of First "n" Counting Numbers (model—algebra)	86
41. Elastic Percent Approximator (percent)	60	51. $(a + b)^3$ (model—algebra)	87
42. Fraction Circles (manipulatives)	62	52. Advanced Mathematics Bingo	88
43. O-oops! (order of operations)	66	53. Crazy Conic (trigonometry)	91
44. Turn a Card (operations, decimals)	69	54. I Have . . . Who Has . . . ? (algebra)	95
		55. Old Poly (algebra)	100
		56. Slope Speedway (algebra)	103

Math Monograph No. 9 is published by the ATA for the Mathematics Council (MCATA). COEDITORS: William Bober, 10819-50 Street, Edmonton, Alberta T6A 2E3, and John Percevault, 2510-22 Avenue S, Lethbridge, Alberta T1K 1J5. EDITORIAL AND PRODUCTION SERVICES: Central Word Services staff, ATA. Address all correspondence regarding the contents of this publication to John Percevault. Opinions of writers are not necessarily those of the MCATA or the ATA. Members of the MCATA receive one copy of this publication free. Nonmembers wishing a copy may obtain one by forwarding \$6 to The Alberta Teachers' Association, 11010-142 Street, Edmonton, Alberta T5N 2R1.

MATHEMATICS COUNCIL, ATA

Executive, 1987-88

TABLE OFFICERS

President	Louise Frame, Calgary
Past President	Robert Michie, Calgary
Vice-President	Art Jorgensen, Edson
Secretary	Mary-Jo Maas, Fort Macleod
Treasurer	Dick Kopan, Calgary

APPOINTED MEMBERS

ATA Staff Adviser	W.M. Brooks, Edmonton
Faculty of Education	A.T. Olson, Edmonton
Mathematics Department	Dennis Connolly, Lethbridge
NCTM	Art Jorgensen, Edson
PEC Liaison	W. Bruce Hopchin, Edmonton
1987 Conference Chairman	Al Olson, Edmonton

DIRECTORS

Diane Congdon, Medicine Hat	Nancy Hope, Grande Prairie
Bill Davidoff, Pincher Creek	Jim Johnson, Edmonton
George Ditto, Calgary	

SOUTH WEST REGIONAL

President	Dennis Burton, Lethbridge
Secretary	Hank Boer, Lethbridge

EDITORS

<i>delta-K</i>	John Percevault, Lethbridge
<i>Math Monograph No. 9</i>	William Bober, Edmonton and John Percevault, Lethbridge
<i>MCATA Newsletter</i>	Art Jorgensen, Edson

Membership in the Mathematics Council, ATA, is open to:

- (a) any member of The Alberta Teachers' Association, or any nonmember covered by the Teachers' Retirement Fund,
- (b) any certificated teacher in a private school, and
- (c) any member of the Department of Education, or of a college or university in Alberta.

Council Membership Fees: Regular—\$20; Affiliate—\$20; University Student—\$5; Subscription—\$25. The membership fee is payable to MCATA, 11010-142 Street, Edmonton, Alberta T5N 2R1.
